Dedication

of the Class of 1956

Although his official title is Dean of the Faculty, we students know him as "DEAN HARRY", the genial raconteur of Bates stories and traditions. We remember his account of Uncle Johnny Stanton, and recall the many occasions when Dean Harry began a meeting with the laconic remark that this was his 250th year at Bates. Dean Rowe has, in fact, touched the lives of more Bates graduates than any other active member of the faculty or administration.

A Phi Beta Kappa graduate of Bates in the class of 1912, Dean Rowe returned to the college in 1914 as Graduate YMCA Secretary. In 1920 he became Alumni Secretary, a position which he filled until 1948. Within this period (1920-1948) he also served as Bursar from 1920 to 1928 and Assistant to the President from 1924 to 1946. In 1946 he was appointed to the position which he now holds, Dean of the Faculty.

Dean Rowe is well known as an educator in New England and is an active member of the College Entrance Examination Board and the American Association of College Deans and Advisers of Men. A member of the Board of Trustees at Central Maine Institute since 1923, he is also a director of Portland Junior College.

To his excellent background in the history of Bates, Dean Harry adds a keen memory for names and faces. A graduate of any class from '08 to '56 may hear himself called by name, or find a note with an enclosed cartoon which has particular meaning for him, signed Harry Rowe.

Literally, as well as figuratively, Dean Rowe is the father of a Bates family. All three of his children attended the college; and one grandson is now attending Bates in the class of '57.

Perhaps more than any single person, Dean Harry Rowe stands for Bates in the minds and hearts of thousands of people including faculty, administration, graduates, and students. We take great pleasure in dedicating this 1956 Edition of the BATES MIRROR to the truly fine educator who has given so much of his life toward making this college a better place.

President Charles Franklin Phillips

The spirit of learning and progress and friendliness which makes Bates a great college also makes its president great.

Dr. Phillips has been widely recognized as a scholar, author, and administrator in the field of economics and has been appointed to several government positions, including the office of Deputy Administrator of Rationing in the United States which he assumed in 1944.

His ability and personality also contributed much to the success of his mission to India and Pakistan which he completed during the winter of 1953 - 54 under the auspices of the State Department.

At the present Dr. Phillips is participating in regional affairs as member of the Judicial Council of Maine and as chairman of the Business-Education Committee of the New England Council.

Since he became president of Bates in 1944, Dr. Phillips has industriously encouraged in every student the same desire to know, to create, and to share which has so characterized his admirable career. It is our sincere hope that we may live up to the example he has set for us.

Ivy Day Ode

*Upon these reaching hills of youth we stand and plant
Our ivy as a prayer and as a memory.
To every leaf belongs the laughter of one day
That raced across our lives perhaps too carelessly
But not too swiftly to be loved. Accept and guard,
O earth, these days that were, and all that we have been.
Here, too, our faith and trust will lie with ivy roots.
Unseen, unheard, but ever stirring far within
This to find a greater strength, as in each hour
we search
For truth. Bless now, o earth, our hope of sacredness.
Among green vines of ivy shall we weave the dream
Of our tomorrow that today must bridge the stress
Of all beginning. Cherish it, o universe,
That it may join with other dreams of yesterday
To build around this fragile kingdom that is man
A wall of promise and of love. For this we pray.
Upon these reaching hills of youth we stand and plant
Our ivy aspirations that one day shall climb
Into the open sky of liberty and leave
Forever to the past these crumbling cracks of time.*

Football

The 1955 Bates College football team had a great deal of potential as a result of 29 returning veterans and 19 incoming freshmen. The 2-5 record certainly was not indicative of the capabilities of the Bobcats this year, proof of which was seen in the fine play against the highly rated Brandeis and University of Maine teams.

The Bobcats opened the season travelling to Northfield, Vermont as favorites over Norwich. The outcome of the game was quite different from what was expected as the Norwich eleven rolled to a 19-0 victory. The Bates attack could not get under way, but on several occasions the 'Cats threatened the Horsemen, moving the pigskin deep into Norwich territory.

On the following Saturday Bates played host to a very polished and highly talented Northeastern team. The Huskies displayed a sturdy line combined with a reliable and hard-running backfield. These factors were responsible for a 26-0 defeat.

After this slow start, the Bates eleven seemed to come alive in their third attempt at victory as the Brandeis Judges invaded Garcelon Field. The Bobcats scored for the first time of the season in the second half. They thoroughly outplayed the Brandeis eleven throughout the entire game. Without a doubt, the 20-7 Brandeis victory will remain in the minds of the fans as a moral victory for the 'Cats.

The wind-swept Porter Field in Middlebury, Vermont was the scene of the next battle for Bates. The Bobcats emerged victorious for the first time of the season, as Bob Martin scored twice to lead the team on to a 12-6 victory. Despite some offensive difficulties, the Bates defense was one of the highlights of the 1955 season.

It seems as though Homecoming games are the annual events which prove to be real thrillers. This one was no exception to the rule. The Bears of Maine were pre-game favorites by as high as 30 points, but from the opening whistle this meant nothing. The Bobcats opened hard and fast as they drew first blood when Bob Martin plunged into the end zone from the three-yard line shortly after the period began. Steve Nawrocki kicked the extra point and the score was 7-0. A Maine fumble gave Bates possession of the ball once again, soon after the 'Cats had scored their touchdown. Bates started another drive downfield, but

was bogged down just short of the goal line where Maine took over. The plays that followed were very close as both teams displayed sharp defenses; and in the second quarter, Maine scored its only touchdown of the game. Half time found the score deadlocked at 7-7. In the second half the University of Maine's kick specialist, Roger Miles, placed two field goals between the uprights as a stubborn Bates defense prevented the Bears from running the ball into paydirt. Maine picked up two more points in a safety to lead 15-7. The points gained by the safety proved to be the margin of victory as Bates scored once again in the last quarter when Bob Martin leaped high to snare Bill Hiedel's pass for six more points. An interesting feature of the game, and season, was Wayne Kane's recovery of a perfect onside kick which took place in the last quarter. The entire Bates line did a splendid job. Men like Stevens, Dunn, Smallwood, Liljestrand, Kane, Weeks and McGrath deserve much in the way of compliment. The backfield is also to be commended for the way that men like Perry, Martin, Drayton, Heidel, and D'Eramo exhibited a fine bit of courage and ability.

Captain Pete Stevens

In the next game the Bobcats' prospects for victory diminished as the team invaded Bowdoin's Whittier Field. Numerous fumbles and intercepted passes proved to be the downfall of the Bates eleven. Bowdoin quarterback Brud Stover was the nemesis of the day for Bates as he intercepted five aerial attempts and sparked the Polar Bears' offense. In spite of the fact that Bates played a good defensive game, Bowdoin emerged victorious by a score of 18-0.

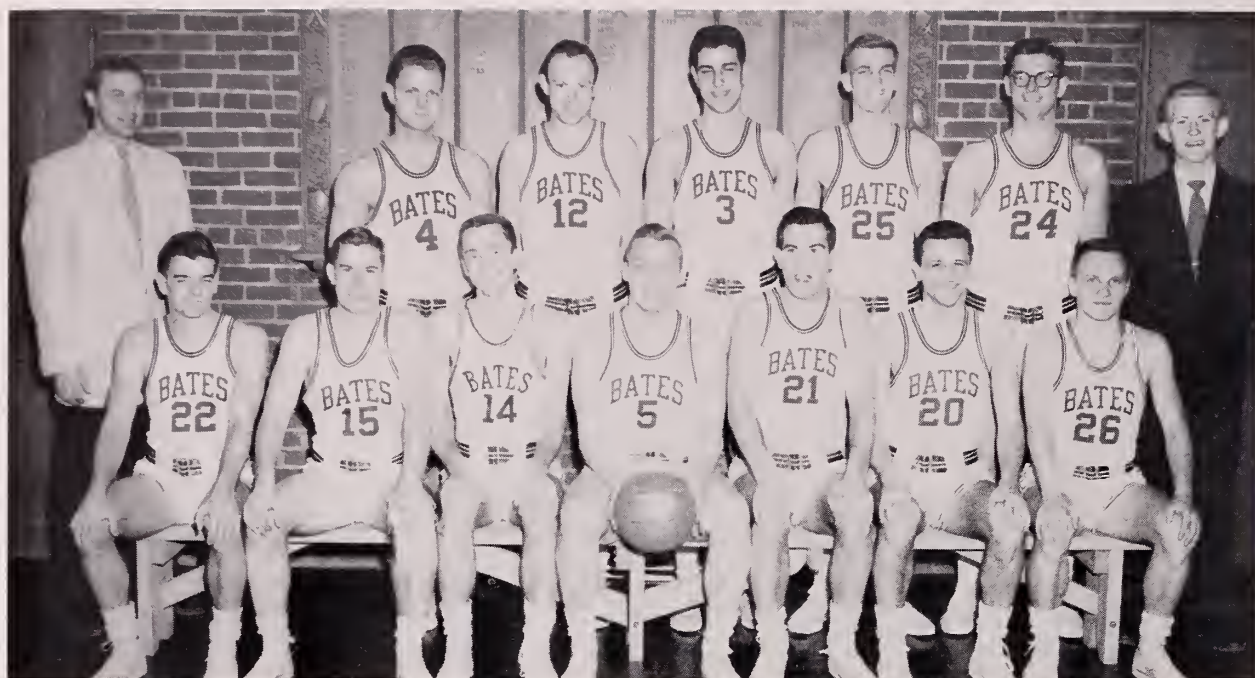

The Cats wound up the season successfully against Colby on a rain-soaked field by winning a 20-12 game. Muddy conditions kept the offensive attacks on the ground and Bates proved to be the stronger opponent. Tallies were piled up by sophomore halfback Andy D'Eramo, who scored twice, and Bob Martin, who scored once.

Bates saw injuries take their toll through the course of the season. Because of a knee injury suffered early in the schedule, Ed Pike was forced to give up the game for the remainder of the season. Also sidelined were Phil Carletti and Brian Flynn. (Carletti was the victim of a fractured collar bone and Flynn was inactive due to a broken arm.)

The team will lose only three members to the graduating class this year. Pete Stevens, able captain and guard, who did a fine job despite a leg injury incurred in the winter of 1954, Bob Dunn, outstanding center in the state competition, and Bob Gillette, a strong guard, will certainly be missed next year.

The outlook is good for the 1956 squad since coach Bob Hatch has much material to work with. For the first time in several years, backfield mates will share co-captain honors next season. Paul Perry and Bob Martin will hopefully lead the Bobcats to a victorious season in 1956.

Basketball

The Bates Bobcats put on a gallant finish to close out the 1955 - 56 basketball season in fine style, including wins over Bowdoin and Colby, to capture second place in the State Series Competition.

The Garnet's State Series play was the finest in many years, as the fighting Bobcat walloped the Colby Mule twice, the first time breaking a seventeen game losing streak to the Colby quintet. It was the second Bates triumph over Colby since 1950.

Bates initiated the season by dropping a close 82 - 79 decision to the University of New Hampshire. John Manteiga, sophomore standout, scored twenty-eight points to lead all scorers. Brandeis then handed the 'Cats an 87 - 77 defeat with Jack Hartleb playing outstanding ball for the home forces.

In the opening round of State Series play, Colby and Bowdoin both took measure of the Bobcats, 85 - 78 and 94 - 86 respectively. The Maine Bear became the first victim of the 'Cats, bowing 86 - 68, to end the first round of series play.

Following Christmas vacation the Garnet faltered once more, this time on the road, as Northeastern walloped the home forces 81 - 51. A victory the next day over Clark 80 - 61 evened things for the Bobcats.

Then on January 13, a Friday, the Bobcats pulled the biggest upset in five years of State Series play, whipping Colby 70 - 66. Sharp rebounding and accurate foul shooting coupled with the fine play of Captain Bob Dunn, John Manteiga, Ralph Davis, Jack Hartleb, and Will Callender provided the margin of victory. Following the big victory, Bowdoin outlasted the hustling Garnet 89 - 81, and Maine fell prey for the second time to the 'Cats 76 - 72.

The second semester road trip saw a powerful Providence College barely manage a 78 - 72 victory and Coast Guard win handily 60 - 47. Bouncing back after these two defeats, the Bobcats thumped a good Trinity quintet 85 - 67. John Manteiga and Jack Hartleb teamed up with twenty-six points apiece to lead all scorers for the night.

Rangy Boston University and sharpshooting MIT crushed the 'Cats 82 - 65 and 85 - 66. In these two contests the Garnet was at a complete height disadvantage.

In the final round of State Series competition, the Bobcats dropped an 83 - 79 verdict to Maine as the hustling Pale Blue overcame a fourteen point deficit to win. The Garnet quickly brightened the outlook as Colby fell by the wayside for the second time of the season 80 - 72. Manteiga paced all scorers, aided by Callender and Freshmen Burke and O'Grady. Bowdoin became the seventh victim of the 'Cats, succumbing 84 - 82. In this contest, Manteiga scored twenty-six points to break, unofficially, the all-Maine scoring record. The rangy Sophomore's 212 points broke the old mark of 199 set in 1953.

The two successive victories in State Series play provided the Garnet with second place in the State and a 5 - 4 State Series record. The record for the entire season's competition was seven wins and twelve losses.

The fact that the Bobcats failed to win more than they lost is no true indication of their fine showing against some of the toughest quintets in New England. Nor is it an indication of the fact that the club hustled all the way, something which can be credited to the new basketball coach, Bob Peck.

Captain Bob Dunn's consistent play making was instrumental in the successful State Series competition. Supporting Dunn, were Manteiga, Hartleb, Callender, Davis, Tom Moore, Dave Rushevsky, Pep Gilman, Dick Sullivan, Gene Taylor, Jimmy Muth, and Freshman Bob Burke. Of these only Moore, Gilman, Taylor, and Dunn will graduate.

George Schroder's return for the last half of the season was significant in the Garnet's late season showing. Schroder will be on hand next year, leaving an optimistic outlook for the future.

Bobkitten hopefuls, who led the Jayvee squad to a 6 - 6 record are Captain Jim Kirsch, Byron Haines, Dave Smith and Jack O'Grady.

Winter Track

The Bobcats had a two and four record for the season, although this record does not tell of some of the fine performances. Outstanding man on the squad was Captain Jim Riopel who was an almost consistent winner in the mile and two mile runs. Other members who did very well include John Fresina, Pete Gartner, Bill Neuguth, Ronnie Stevens, Pete Wicks, and Jim Wheeler.

The first meet this year was against the powerful Black Bears from Maine. Although the Bobcats lost $79\frac{1}{2}$ to $46\frac{1}{2}$, they fought hard and well. The outstanding performance of the day was turned in by Pete Gartner. He set a new meet record of $6' 2\frac{1}{2}"$ in the high jump. Another newcomer who did a fine job was John Fresina. He took a first, second, and a third. Jim Riopel did his usual fine job of running by taking first in the two mile.

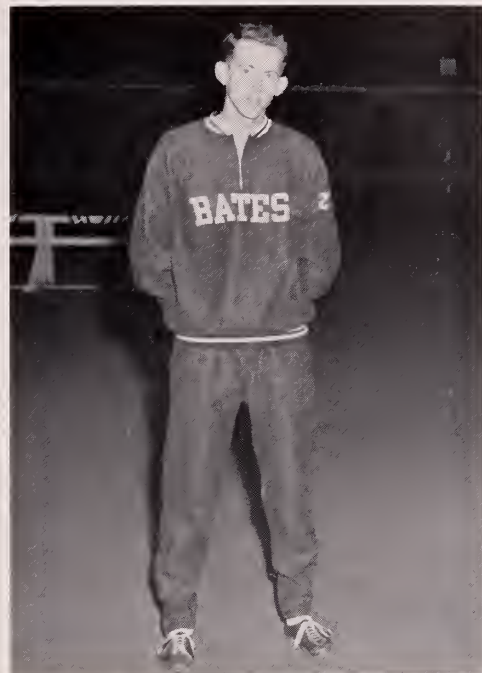

The following week, Bates was host to the University of New Hampshire. After a hard fought battle, Bates won the meet 65 to 61—a real upset. Three records were broken in the meet. Tom Johnson broke the cage record in the 35 pound weight with a throw of $55' 3\frac{1}{4}"$, a fine performance. Maurice Carter in the pole vault and Pete Gartner in the high jump broke the meet records. Despite the two records broken by New Hampshire, Bates outlasted New Hampshire's best. The 300 yard run was a sweep for us which gave the needed margin of victory. It was a good meet with fine competitive spirit.

For the third encounter of the season, Bates met a powerful squad from Northeastern. The 'Cats started off well by sweeping the discus, but this lead was gradually narrowed with Northeastern finally pulling out to a final score of 70 to 56. The deciding blows were a sweep of the 1000 yard and 300 yard runs by the men from Boston. They also swept the 45 yard dash. A new meet record was established by Robert Hefford of Northeastern in the 600 yard run with a time of 1:15.1. Bill Neuguth and John Fresina each took two first places in the meet.

After a two weeks layoff for finals the Garnet thinclads journeyed to Tufts for an evening meet. But the 'Cats could not overcome the superior strength of the men from Tufts. The final score was 77½ to 30½. Again the top point winner was Riopel with a first in the one and two mile runs. Neuguth won the high hurdles and Fresina won the 35 lb. weight. Stevens tied for first place in the pole vault. The rest of the meet was dominated by Tufts. All in all it was a disappointing evening for Bates.

For their next to last meet the thinclads met Bowdoin at Brunswick. It was a meet of outstanding individual performances. Bill McWilliams and Dwight Eaton of Bowdoin took 40 of Bowdoin's 84 points. The final score was 84 to 42. Four records were broken and one tied during the afternoon. McWilliams broke the existing meet records in the 35 lb. weight and the shot put. Eaton set a record in the 300 yard run with a time of 32.1 seconds. Riopel broke the mile record with a time of 4:30.7 and Stevens won the low hurdles in 5.1 seconds to tie the existing record. Parkhurst, Neuguth, Wheeler, and King all took seconds for the Bobcats.

Bates was host to Providence College for the final indoor meet. The Bobcats dominated the day. The thinclads swept the 35 lb. weight and discus, and took first and second in the high jump, and 1000 yard run, as well as a tie for first in the pole vault. Jim Wheeler threw the discus 131' 6¾" and Ed Aron of Providence set a new cage record in the shot put with a throw of 47' 11". The highlight of the meet was the mile relay which is a new event. Providence won it, making the final score Bates 69, Providence 58, a good end to the season.

Spring Track

During the spring track season of 1955 the Bates cindermen ran up a record of one win and two losses in the meets. In addition, Bates took a third in the Harvard Relays and four points in the New England Meet.

The first meet was against Providence College, and it was a Providence victory with the final score 78 to 61. Beck was the only Bates man to take two first places. The mile relay was also won by the Bobcats.

The second event was the Harvard Relays. Bates took a third in the one mile relay with a time of 3:26.8. Harvard won the relay.

A quadrangular meet was held at Waterville with Colby, University of Vermont, Middlebury, and Bates participating. This time the Garnet came home with a victory, by capturing 66 points to Vermont's 55, Middlebury's 38½, and Colby's 5½. Fay and McGrath each took a first and a second. Riopel, Wicks, Pike, and Kent also won in their events.

The following week another trip was made to Colby for the State Meet. A powerful Maine squad came away with top honors by taking 60 points, Bowdoin gained 47, Bates 27 and Colby 1. For Bates the highlight was a sweep of the 440 yard run by Fay, Jodat, and McGrath. McWilliams of Bowdoin took four first places for a total of 20 points to be top point winner of the meet.

Bates was host to the New England Meet which was the highlight of the season. It lasted two days and was well attended by track enthusiasts. The only Garnet entry to take a place was Doug Fay, who came in second in the 440 yard run. Boston University won the meet with 55½ points.

Front row, (left to right): Jason, Hoadly, Davis, Martin, Reny, Atwater. Second row: Dunn, Flynn, Moore, Jack, Carletti. Third row: Colby, Higgins, Kayne, Hall, Perry, Vokes, Coach Leahy, Manager Stearns.

Baseball

In 1955 Bates graduate, "Chick" Leahy, returned to skipper the baseball team. Although the record was not very impressive, it was by no means indicative of the consistently fine showing on the diamond. Bates won five, lost eleven, and tied one, thereby tying with Bowdoin for third place in Maine State competition. Colby finished in second place and U. of Maine took top honors.

Outstanding features of the past season were Bates' victories over Bowdoin, Colby and Brandeis. The last game of the season was a 15-2 victory over Bowdoin. A successful finale to the collegiate baseball careers of the seniors, Captain Em Atwater, Dave Higgins and Bob Reny.

DUNN LEADS STATE

Top batter in the state last year, Bob Dunn, will be back with the Bobcats as captain this year. Fred Jack, Tom Moore, and Bob Gillette, also seniors, will return to the club for their last season. Probably all the positions except first base, will be open as the team reports for practice in early March.

The team should improve its record of last year under the capable leadership of Coach Leahy and returning veterans. Bates is looking forward to a successful baseball season in 1956.

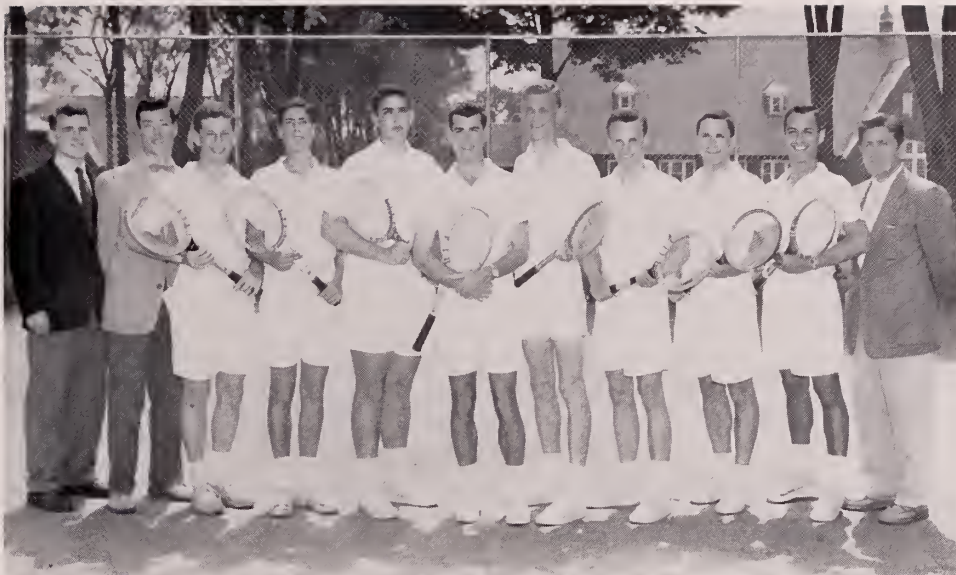

R. Froio, D. Whipple, L. Niles., R. Carey.

Golf

A lack of depth resulted in a record of three wins, eight losses, and one tie for the Bates linkmen. The golf team, under Harlan Gilman, the professional at Martindale Country Club, found but three bright spots in an otherwise shaky 1954-1955 golf season.

Captained by Froio with team members Carey, Niles, Schmutz, Smith and Whipple they opened their season with a tie at Rhode Island University. On the same southern swing they were defeated by a strong Boston University team. When they opened their home season the team suffered a State Series defeat by Bowdoin and then lost to the University of Maine, University of Rhode Island, and Colby College. On the other side of the ledger the linkmen defeated Babson Institute and strong Tufts University. They then gave Clark University a 27-0 shutout.

It will be an inexperienced team that will represent Bates in the 1956 season on the golf links. Charlie Schmutz is the only returning veteran. However, under Coach Gilman the team hopes to play a fine brand of golf and better last year's standing.

Left to right: Smith and M. Wilkes, mgrs.; R. Steinberg, P. Meilen, J. Weiner, A. Auger, R. Prothero, G. Clarke, J. Pickard, R. Becerra, Coach Lux.

Tennis

Spirit and determination were the forces that brought Bates the only winning athletic team of the 1954-1955 season. Under the tutelage of its capable coach, Dr. Lloyd Lux, the tennis team completed its season with a 7-5 win.

They were off to a slow start with two losses to MIT and Boston University, however, they began to hit their stride with a State Series win over the University of Maine at Orono. The team continued to stay in the win column with another State Series win over Colby. The next victory they took easily from the University of New Hampshire. Then they were defeated by the strong Bowdoin squad, which was the final State Series winner. Bowdoin continued its lead over Bates throughout the season. One bright spot for Bates in the Bowdoin games was Dick "Bones" Prothero's brilliant win over Bowdoin's number one player, Bill Nieman. Rain and gusty winds hampered much of the play during the season. The Bates match with Babson Institute was on the basketball courts of the Alumni Gymnasium.

A rugged schedule faces the 1956 squad. Robert Peck will take over Dr. Lux's job as coach this season. Coach Peck will have to rebuild the team as a result of the losses through graduation of Dick Prothero and Adrian Auger, number one and two players of the Bates courtmen.

Returning varsity men are Steinberg, Becerra, Weiner, Clarke, Pickard and Meilan. Peck will be counting on these able players to form a nucleus of his squad. Dick Steinberg, a southpaw, due to his consistent fine playing of last season will captain the 1956 squad.

A highlight of this year's tennis season will be the State Series tournament held here at Bates for two days in late May. The tournament will climax the tennis season for the four Maine colleges. We may expect to see some fine matches at this time.

With the team showing the same spirit and aggressiveness on the courts as it did last season, we may look forward to a fine season for the Bates tennis team.

Intramurals

The year 1954-1955 saw the introduction of an organized intramural system. Formed and adopted by the Student Council in conjunction with the Physical Education department, the governing body is the Intramural Council. The council is composed of men elected as dorm managers from their respective dorms. Under the present revised constitution, there is provision for an Intramural Board represented by the leader of the Council, the administrator and the head of the Physical Education department.

Last year's intramural competition started off successfully. There seemed to be no doubt that the men were behind this project, and they showed their willingness to support the program. The activities open to the dorm units last year were football, volleyball, basketball and softball. Additions made this past year include soccer, hockey and swimming. Other activities organized and conducted in past years have also found their way into the intramural point system. Such activities are the Chase Hall tournaments, billiards, pool, bowling and ping-pong, and also the inter-class track meet.

CHAMPIONSHIPS

The all-campus champions in 1954-1955 were the men who represented Roger Bill. They gathered a total of 516 points and they were followed by J. B. who tallied 507 points. Roger Bill took first in the volleyball and softball leagues, and they finished second in football and basketball. It was a close race for honors between Roger Bill and J. B., but when the Administrators and the Deans captured top honors in their respective softball leagues Roger Bill was sure of the all-campus championship.

Now that the honor attached to the champion has been established, the individual dorms are all out to capture the title. It is felt that this alone will promote better intra-mural opportunities for those, who for one reason or another, do not participate in sports on the inter-collegiate level.

Women's Athletics

Athletic activities for women, largely under the direction of the Women's Athletic Association, span the seasons from September to June and are as widely varied as our Maine weather. This fall Bates participated in a field hockey clinic held at Colby College. Several of our hockey players also became members of the Maine Field Hockey Club, which is made up of physical education teachers and college students from southeastern and central Maine.

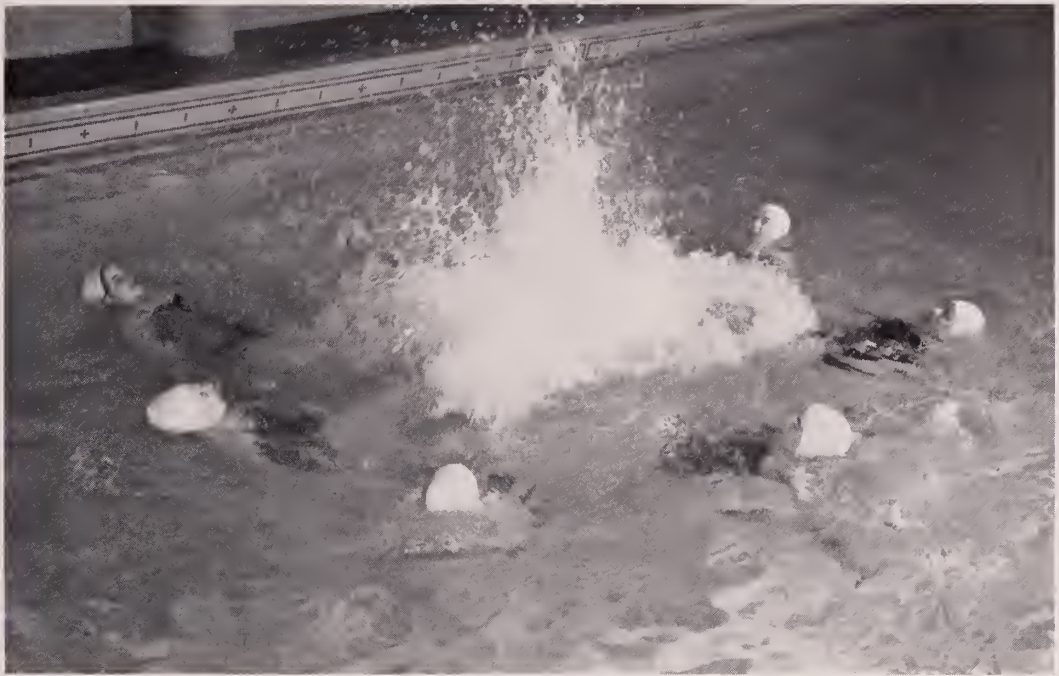

Winter brought a series of "firsts" in athletics for Bates women. In December WAA challenged Stu-G to a volleyball game which Stu-G won. For those who preferred individual sports, WAA sponsored a ping-pong tournament which was enthusiastically supported. An extra share of snow and ice brought out the skis and skates in January. The annual ski trip to Jackson, N. H. completed the season in March.

To add a civic aspect to its already well-rounded program, WAA held a high school Play Day in February. Students from several surrounding high schools were invited to the Bates campus. Besides being offered the use of the equipment and facilities, they were instructed in sports both new and familiar to them.

With Health Week in late winter came the freshman fashion show, the Betty Bates contest, and the new attraction of an all-star basketball game. Team members were selected by the WAA board from a group of finalists chosen by the girls themselves. This year's water show, presented in May by the synchronized swim club, was under the direction of Catherine Parker and Mary Sinnott.

Bates women were offered several new activities by the Physical Education Department which extended its program to include lacrosse, fencing, tumbling, and body mechanics.

Bates Fabrics and Bates College

The fine Bates name, the "brand name" of our products and your students, comes from our common ancestor, Benjamin E. Bates.

We who make fine cotton and rayon fabrics for all America are proud of the close ties between college and company. May they continue for all time.
